READY FOR DIVE . . . Dr. Irwin A. Moon, director of the Moody Institute of Science, is weighed with 65 pounds of lead in his belt in this scene from the film "Voice of the Deep." Movie will be screened in the Civic Auditorium December 6.

'Voice of Deep' to be Screened In Civic Auditorium Tuesday Eve

Startling new discoveries that the "silent depths" of the sea are not so silent, as revealed in an unusual film to be shown in the Civic Auditorium Tuesday night.

The film, "Voice of the Deep" is sponsored by the Hammeron Tract Community Church and the Torrance Baptist Church. The movie, a sound picture, reveals that many denizens of the deep actually talk, whistle, squawk, and rumble.

Dr. Irwin A. Moon, director of the Moody Institute of Science, made many descents into the sea with his underwater camera to record the sounds and sights of the inhabitants of the sea.

The film will be shown starting at 7:30 p.m. A voluntary contribution will be asked.

Appearing also on the program will be a soloist, Rev. Everett "Jim" Station, voice instructor and student of the Bible Institute. Rev. Station preaches every other Sunday at the Hammeron Tract Community Church. A baritone, Rev. Station announced one of his numbers would be "Holy City."

STAYS SILENT... LASTS LONGER

Servel
The GAS Refrigerator

Come see the famous Servel Gas Refrigerator—only refrigerator that stays silent, lasts longer. Its freezing system has no moving parts. Just a tiny gas flame does the work.

Over 2,000,000 have Servels (many of them 18 and 20 years). They say, "Pick Servel. It stays noise-free, wear-free."

"God the Only Creator" is Church Topic

"God the Only Cause and Creator" will be the Sunday Lesson-Sermon subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from the Psalms: "Unto thee, O God, do we give thanks, unto thee do we give thanks; for that thy name in near thy wondrous works declare."

The Lesson-Sermon includes this Scriptural selection from Isaiah: "The Spirit of the Lord God is upon me; because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; . . . For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord God will cause righteousness and praise to spring forth before all the nations."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal."

Master Builder Chooses Army Career

Sgt. James R. Rhodes was holding down a high-paying job as a construction foreman when he enlisted in the Army in 1942. "I got fed up with seasonal work and frequent layoffs," says Jim. "In the Army I get security and retirement benefits I'd never match in civilian life."

"I already knew my trade when I came in, but if you're inexperienced, you can learn most any skill you want in an Army school—mechanics, carpentry, radio operation, welding—just name it."

Jim is enthusiastic in recommending the Army to young fellows who want to get a head start on a real career. Full information is available at every U. S. Army and U. S. Air Force Recruiting Office.

Theme of Sermon Follows 4-Year Methodist Plan

Rev. Clarence E. Miller of the First Methodist Church will continue his series of sermons of the general theme, "Our Faith," at the 11 a.m. service on Sunday morning. The local Methodist Church is following the "Advance for Christ and His Church" which is a four-year program by the General Methodist Church throughout the entire world. The preaching and teaching phase of the program is in its second month. The theme for the last month was "Our Faith in God." The theme for December is "Our Faith in Jesus Christ." Each Sunday during November in the local Methodist Church, as well as in Methodist Churches throughout the world, some phase of this theme will be discussed.

The visitation phase of the "Advance for Christ" will be launched next week when 25 teams of two each under the direction of Joe Behen will visit all the homes of the members of the Methodist Church. The purpose of this visitation will be to secure pledges for world wide missionary work and to stimulate the financial and social and spiritual activities of the local church.

The weekly attendance at the morning services of the First Methodist Church has been crowding the facilities to the extent that the Official Board has ordered the House Committee under the chairmanship of F. J. Stock, to investigate the possibilities of providing a greater seating capacity to accommodate those who wish to attend. The advisability of starting a second service at an earlier time is also being considered.
